CLIENT CONSENT ON THE NORTHBOUND INVESTOR ID MODEL

The Hong Kong Securities and Futures Commission announced the investor identification regime for Northbound trading under China Connect Service on 30 November 2017. It will entail the collection and use of personal data by the SEHK and its subsidiaries, as well as its transfer to the Mainland exchanges and the CSRC. I/We have carefully read, fully understood and hereby sign this consent as follows:

China Connect Service

The Client acknowledges and agrees that in providing Southwest's China Connect securities trading service to the Client, Southwest will be required to:

- tag each of the Client's orders submitted to the China Stock Connect System ("CSC") with a Broker-to-Client Assigned Number ("BCAN") that is unique to the Client or the BCAN that is assigned to the Client's joint account with Southwest, as appropriate; and
- provide to the Exchange the Client's assigned BCAN and such identification information ("Client Identification Data" or "CID") relating to the Client as the Exchange may request from time to time under the Rules of the Exchange.

Without limitation to any notification Southwest has given the Client or consent Southwest has obtained from the Client in respect of the processing of the Client's personal data in connection with the Client's account and Southwest's services to the Client, the Client acknowledges and agrees that Southwest may collect, store, use, disclose and transfer personal data relating to the Client as required as part of Southwest's China Connect securities trading service, including as follows:

- to disclose and transfer the Client's BCAN and CID to the Exchange and the relevant SEHK Subsidiaries from time to time, including by indicating the Client's BCAN when inputting a China Connect Order into the CSC, which will be further routed to the relevant China Connect Market Operator on a real-time basis;
- to allow each of the Exchange and the relevant SEHK Subsidiaries to: (i) collect, use and store the Client's BCAN, CID and any consolidated, validated and mapped BCANs and CID information provided by the relevant China Connect Clearing House (in the case of storage, by any of them or via HKEX) for market surveillance and monitoring purposes and enforcement of the Rules of the Exchange; (ii) transfer such information to the relevant China Connect Market Operator (directly or through the relevant China Connect Clearing House) from time to time for the purposes set out in (c) and (d) below; and (iii) disclose such information to the relevant regulators and law enforcement agencies in Hong Kong so as to facilitate the performance of their statutory functions with respect to the Hong Kong financial markets;
- to allow the relevant China Connect Clearing House to: (i) collect, use and store the Client's BCAN and CID to facilitate the consolidation and validation of BCANs and CID and the mapping of BCANs and CID with its investor identification database, and provide such consolidated, validated and mapped BCANs and CID information to the relevant China Connect Market Operator, the Exchange and the relevant SEHK Subsidiary; (ii) use the Client's BCAN and CID for the performance of its regulatory functions of securities account management; and (iii) disclose such information to the Mainland regulatory authorities and law enforcement agencies having jurisdiction over it so as to facilitate the performance of their regulatory, surveillance and enforcement functions with respect to the Mainland financial markets; and
- to allow the relevant China Connect Market Operator to: (i) collect, use and store the Client's BCAN and CID to facilitate their surveillance and monitoring of securities trading on the relevant China Connect Market through the use of the China Connect Service and enforcement of the rules of the relevant China Connect Market Operator; and (ii) disclose such information to the Mainland regulatory authorities and law enforcement agencies so as to facilitate the performance of their regulatory, surveillance and enforcement functions with respect to the Mainland financial markets.

By instructing Southwest in respect of any transaction relating to China Connect Securities, the Client acknowledges and agrees that Southwest may use the Client's personal data for the purposes of complying with the requirements of the Exchange and its rules as in force from time to time in connection with the Stock Connect Northbound trading. The Client also acknowledges that despite any subsequent purported withdrawal of consent by the Client, the Client's personal data may continue to be stored, used, disclosed, transferred and otherwise processed for the above purposes, whether before or after such purported withdrawal of consent.

Consequences of failing to provide Personal Data or Consent

Failure to provide Southwest with the Client's personal data or consent as described above may mean that Southwest will not, or no longer be able, as the case may be, to carry out the Client's trading instructions or provide the Client with Southwest's China Connect securities trading service.
